

News release

### **The Investment Business Kicked off Monday**

After two-month preparation, AEEI formed a three-person investment group, began their investment activity on July 19, 2021, Monday. The work site is at 14 Wall Street Office 2090. The working hours are generally between 9:00 am-5:00 pm.

Dr. Wenyi Yu is responsible for the research of investment decisions; Mr. Wenzhe Guo, the manager of the Dept of Investment is responsible for formulating and implementing of operating procedures, and issuing and checking orders; Mr. Zizhao Yu is responsible for placing orders on the trading platform -- opening and closing positions and funds transfer.

The investment analysis covers the information about the macroscopic economic information, such as Federal Reserve's interest rate policy, crude oil supply/demand, middle east conflicts, copper market, agricultural product supply/demand, gold market, USD/JPY exchange rate, NASDAQ index, and timely risk-alert.
